Subject Index

Abdominal injury inflicted by animals, 173
Accidental hypothermia, 174
Accidents, on BMX bicycles, 209
Admission of patients with head injuries, 121
AIDS, 47
Air weapons:
 injuries, 17;
 rifle ammunition, influence on wounding potential, 25
Alcoholics, detection of, 137
Anaesthetic techniques in Colles' fracture, 67
Animals, abdominal injury inflicted by, 173
Arthritis, of sternoclavicular joint, 177
Assessment:
 of procedures in evaluation of patients with multiple injuries, 11;
 of seat-belt legislation report, 233
Attendance to accident and emergency department, 173

Bicycles, comparison of BMX and other models, 209
BMX, 209
Book reviews:
 Jamieson's First Notebook of Head Injury, by Brian North, 45;
 The Practical Management of Head Injuries, by John Potter & Michael Briggs, 45;
 Toxic Emergencies, edited by William Hansson Jr, 104;
 Essential Management of Obstetric Emergencies, by Thomas F. Baskett, 171
Bronchogenic carcinoma as an injured thumb, 93

Care of elderly in short-stay ward, 141
Carcinoma as an injured thumb, 93
Casualty Surgeons Association, one-day meeting of, 215
Childhood, multiple injuries in, 176

Clinical research, pharmaceutical industry's view of, 113
Colles' fracture, anaesthetic techniques in, 67
Corticosteroids and pulmonary injuries and insults, 59
Critical review of seat-belt legislation report, 221

Data collection for seat-belt legislation report, 216
Delivery of patient's letter from accident and emergency department to general practitioner, 161
Detection of hidden 'alcoholic', 137
Diurnal and seasonal variation of multiple injuries in childhood, 176
Dislocation of distal radio-ulnar joint, 49
Drug abuse, 55, 73

Elderly, care of in short-stay ward, 141
Emepromium bromide, paralysis caused by, 79
Emesis, Ipecacuanha induced, 203
Equipment reviews:
 The vitalograph emergency aspiration pump, 53;
 Rotational panoramic zonography, 97;
 The Lixiscope portable imaging device: an assessment of its use in the accident and emergency department, 100;
 The use of the Rapignost strip for estimating urinary amylase levels, 165

Film review:
 Vehicle Crash Rescue, 105

General practitioner, delivery of letter from accident and emergency department to, 161

Hand injury, 155
